Let us know if you want to opt out.

Liberty Utilities must provide a list of our customers to the Massachusetts Department of Public Utilities on a quarterly basis. This list is used by the Executive Office of Health and Human Services (EOHHS) to compare against their list of state residents who receive assistance from the Department of Transitional Assistance (DTA) and will determine if you qualify for the discount rate on your gas bill. This rate will appear as R2 for non-heating customers or R4 for heating customers.

If you do not wish to be included on this list, please contact us to be removed.* Even if you ask to be removed from the list, if you qualify, you will still be eligible for the discount rate.

To be removed from the EOHHS list, please call customer service at (800) 544-4944.

* Please note that you may still be included on the list due to the timing of your request and when the report is sent to EOHHS. Your name will be removed from subsequent lists. Also, customers currently on the discount rates are unable to opt out at this time.
