The Commonwealth of Massachusetts

DEPARTMENT OF PUBLIC UTILITIES

NOTICE OF FILING, PUBLIC HEARING, AND REQUEST FOR COMMENTS

D.P.U. 26-128 November 5, 2026

Petition of Liberty Utilities (New England Natural Gas Company) Corp. d/b/a Liberty for review and approval of its five-year Forecast and Supply Plan for its Fall River and North Attleboro Service Area and its Blackstone Service Area for the forecast period 2026/2027 through 2030/2031.

On October 2, 2026, Liberty Utilities (New England Natural Gas Company) Corp. d/b/a Liberty ("Company") filed a petition with the Department of Public Utilities ("Department") for approval of the Company's Long-Range Forecast and Supply Plan ("Plan") for the five-year forecast period 2026/2027 through 2030/2031. Pursuant to G.L. c. 164, § 69*I*, the Department must ensure a necessary energy supply for the Commonwealth at the lowest possible cost. Accordingly, the Department will review the Company's plan to ensure that the forecast accurately projects the gas sendout requirements of the utility's market area. The Department docketed this matter as D.P.U. 26-128.

The Department will conduct a virtual public hearing to receive comments on the Company's filing. If necessary, the public hearing will be immediately followed by a procedural conference. The Department will conduct the hearing using Zoom videoconferencing on **Monday, December 14, 2026**, beginning at 2:00 p.m. Attendees can join by entering the link, https://us06web.zoom.us/j/82985229699, from a computer, smartphone, or tablet. No prior software download is required. For audio-only access to the hearings, attendees can dial in at **646-931-3860 (not toll free)** and then enter the **Meeting ID# 829 8522 9699**.

Any person interested in commenting on this matter may submit written comments no later than the close of business (5:00 p.m.) on **Monday, December 14, 2026**, using the method described below. The Department strongly encourages public comments to be submitted by email. If, however, a member of the public is unable to send written comments by email, a paper copy may be sent to Peter A. Ray, Secretary, Department of Public Utilities, One South Station, Boston, Massachusetts, 02110.

Any person who desires to participate in the evidentiary phase of this proceeding shall file a petition for leave to intervene no later than 5:00 p.m. on **Monday, December 7, 2026**. A petition for leave to intervene must satisfy the timing and substantive requirements of 220 CMR 1.03. Receipt by the Department constitutes filing and determines whether a petition

has been timely filed. A petition filed late may be disallowed as untimely, unless good cause is shown for waiver under 220 CMR 1.01(4). To be allowed, a petition under 220 CMR 1.03(1) must satisfy the standing requirements of G.L. c. 30A, § 10.

The Attorney General of the Commonwealth of Massachusetts ("Attorney General") filed a Notice of Intervention in this matter pursuant to G.L. c. 12, § 11E(a). Further, pursuant to G.L. c. 12, § 11E(b), the Attorney General filed a notice of intent to retain experts and consultants to assist her investigation of the Company's filing and has requested Department approval to spend up to $150,000 in this regard. Pursuant to G.L. c. 12, § 11E(b), the costs incurred by the Attorney General relative to her retention of experts and consultants may be recovered in the Company's rates. Any party who desires to comment on the Attorney General's notice of intent to retain experts and consultants may submit written comments to the Department not later than the close of business (5:00 p.m.) on **Monday, December 7, 2026** .

All documents should be submitted to the Department in **.pdf format** by email attachment to dpu.efiling@mass.gov and jennifer.cargill@mass.gov. In addition, one copy of all documents should be emailed to the Company's attorney, Kevin Penders, Esq. kpenders@keeganwerlin.com. The text of the email must specify: (1) the docket number of the proceeding (D.P.U. 26-128); (2) the name of the person or company submitting the filing; and (3) a brief descriptive title of the document.

All documents submitted in electronic format will be posted on the Department's website through our online File Room as soon as practicable (enter "26-128" on the line for "Docket No."). Please note that in the interest of transparency, any public comments will be posted to our website as received and without redacting personal information, such as addresses, telephone numbers, or email addresses. As such, consider the extent of information you wish to share when submitting comments. To the extent a person or entity wishes to submit comments or intervene in accordance with this Notice, electronic submission, as detailed above, is sufficient.

To request materials in accessible formats for people with disabilities (Braille, large print, electronic files, audio format), contact the Department's ADA coordinator at eeadiversity@mass.gov or (617) 626-1282.

For further information regarding the Company's filing, please contact the Company's attorney, identified above. For further information regarding this Notice, please contact Jennifer Cargill, Hearing Officer, Department of Public Utilities, at jennifer.cargill@mass.gov.
