Sponsored by Berkshire Gas Company, Blackstone Gas Company, Cape Light Compact, Columbia Gas of Massachusetts, Eversource, Liberty Utilities (MA), National Grid, and Unitil (MA).

Mass Save is brought to you by your local natural gas and electric utilities and energy efficiency service providers. Income-eligible customers may receive services at no cost. Some restrictions may apply; program guidelines are subject to change. Mass Save works with participating contractors who have met training and certification requirements to provide high-quality home energy assessments, insulation, and air sealing. Incentives may vary for The Cape Light Compact customers.

Mass Save includes the Residential Conservation Services Program, financed and operated according to state law and under regulations of the Massachusetts Department of Public Utilities and the Massachusetts Department of Energy Resources.
