Keep your meter clear

Did you know that shrubbery growing near your gas meter can interfere with our technicians' ability to read it or access it in an emergency? While preparing for colder weather, don't forget to clear any shrubbery from around your meter. If a hand shovel or more is required to remove vegetation, always call 811 prior to digging. We will come and mark where your natural gas line is so you can avoid it.

Rates

Important notice about your rates. New winter rates in effect beginning Nov. 1, 2026.

Blackstone Service Area

Beginning November 1st, your cost of gas will increase from $0.1697 per therm to $1.3570 per therm. Last year's peak-season price in November 2025 was $0.8818 per therm. If your bill contains any gas usage prior to November 1st, your cost of gas will reflect pricing from both periods. The cost of gas is a straight pass through cost in which Liberty makes no profit.

The rate for the Fixed Price Option offered by the Company separately for any gas usage used by enrolled customers after November 1st, will be $1.3770 per therm.

Your revenue decoupling adjustment (RDAF), in connection with the Department of Public Utilities pricing structure mandate to promote energy efficiency, for Residential bills will reflect a rate of $0.0115 per therm; customer bills in 40 series rate classes will reflect a rate of $0.0100 per therm, and customer bills in the 50 series rate classes will reflect a rate of $0.0104 per therm. As a result of the RDAF, the average Residential Heating customer will experience a decrease of approximately $5.00 per month, or 1.18 percent during the peak period. For more information regarding this adjustment, please go to www.libertyenergyandwater.com.

Fall River and North Attleboro Service Area

Beginning November 1st, your cost of gas will increase from $0.4047 per therm to $0.9120 per therm. Last year's peak-season price in November 2025 was $0.6283 per therm. If your bill contains any gas usage prior to November 1st, your cost of gas will reflect pricing from both periods. The cost of gas is a straight pass through cost in which Liberty makes no profit.

The rate for the Fixed Price Option offered by the Company separately for any gas usage used by enrolled customers after November 1st, will be $0.9320 per therm.

Your revenue decoupling adjustment (RDAF), in connection with the Department of Public Utilities pricing structure mandate to promote energy efficiency, for Residential bills will reflect a rate of $0.0115 per therm; customer bills in 40 series rate classes will reflect a rate of $0.0100 per therm, and customer bills in the 50 series rate classes will reflect a rate of $0.0104 per therm. As a result of the RDAF, the average Residential Heating customer will experience a decrease of approximately $5.25 per month, or 1.26 percent during the peak period. For more information regarding this adjustment, please go to www.libertyenergyandwater.com.

mass save®
Energy savings that matter

Get incentives to help you save money and energy.

Proper insulation and air sealing, known as weatherization, can improve the comfort and efficiency of your home, all year long.

Weatherizing your home can help:

- **Reduce noise, pests and pollen**
- **Improve humidity control**
- **Lower the risk of ice dams on your roof**
- **Save up to 15% on heating and cooling costs**

Schedule a no-cost Home Energy Assessment to see if you qualify for no-cost air sealing, 75% off approved insulation upgrades, 0% financing opportunities and other incentives. Customers who meet income eligibility guidelines or live in designated equity communities may receive additional offers.

Call 866-527-SAVE (7283) to speak to a representative about weatherizing your home today.

Obtenga incentivos para ahorrar más dinero y energía.

Tener un buen aislamiento y sellado de aire, lo que se conoce como "climatización", puede mejorar la comodidad y la eficiencia de su hogar durante todo el año.

La climatización del hogar puede ayudar a lo siguiente:

- ✔ **Reducir el ruido, las plagas y el polen**
- ✔ **Mejorar el control de la humedad**
- ✔ **Reducir el riesgo de formación de presas de hielo en su tejado**
- ✔ **Ahorrar hasta un 15 % en costos de calefacción y refrigeración**

Programe una evaluación energética del hogar sin costo para ver si reúne los requisitos para sellado de aire sin costo, un 75 % de descuento en mejoras de aislamiento aprobadas, oportunidades de financiamiento al 0 % y otros incentivos. Los clientes que cumplan con las pautas de elegibilidad según sus ingresos o que vivan en comunidades de equidad designadas podrían recibir ofertas adicionales.

Llame al 866-527-SAVE (7283) hoy mismo para hablar con un representante sobre la climatización de su hogar.

Receba incentivos para ajudar você a economizar dinheiro e energia.

A climatização, que é o isolamento e a vedação de ar adequados, pode melhorar o conforto e a eficiência da sua casa durante todo o ano.

Climatizar sua casa pode ajudar a:

- ✔ **Reduzir ruído, pragas e pólen**
- ✔ **Melhorar o controle de umidade**
- ✔ **Reduzir o risco de acúmulo de gelo no seu telhado**
- ✔ **Economizar até 15% nos custos de aquecimento e resfriamento**

Agende uma Avaliação de Energia Residencial sem custo para ver se você se qualifica para a vedação de ar sem custo, para 75% de desconto em melhorias de isolamento aprovadas ou para oportunidades de financiamento a 0% e outros incentivos. Clientes que atendem aos critérios de elegibilidade de renda ou vivem em comunidades de equidade designadas podem receber ofertas adicionais.

Ligue hoje mesmo para 866-527-SAVE (7283) para falar com um representante sobre a climatização da sua casa. **Acesse MassSave.com/HEA para saber mais.**
