

Important Notice Regarding Gas Rates

Beginning November 1, 2022, customer bills will reflect a per therm charge associated with the monthly decoupling adjustment in connection with the Department of Public Utilities pricing structure mandate to promote energy efficiency. Residential bills will reflect a rate of \$0.0391 per therm; customer bills in 40 series rate classes will reflect a rate of \$0.0303 per therm, and; customer bills in the 50 series rate classes will reflect a rate of \$0.0276 per therm.

In addition, beginning November 1, 2022, the Company's cost of gas will increase from the currently effective \$0.8678 per therm to \$0.9664 per therm. Last year's peak season price in November 2021 was \$0.8237 per therm. If your bill contains any gas usage prior to November 1st, your cost of gas will reflect pricing from both periods. The cost of gas is a straight pass through cost on which Liberty makes no profit.

The rate for the Fixed Price Option, offered by the Company separately for any gas usage used by enrolled customers after November 1st, will be \$0.9864 per therm.
